

NEW CABINETS

SALES PRESENTER
SEPTEMBER 2021

The new line of Cabinets have a **classic** and very particular **design**. The cabinets are available in different variants (colour and size), can be separate ordered with the **Mix & Match option, customized** with the brand seal, and therefore are **suitable for any interior**. The improvements made from the previous cabinets will ensure a **longer useful** and **sustainable life** for the cabinets.

KEY PRODUCT BENEFITS

The design of the cabinets have attractive benefits, offering an ultimate coffee corner experience:

- ✓ 2 cabinet sizes, 3 variants and 3 colour options
- ✓ Customer flexibility and standardization
- ✓ Optional backdrop, offering more flexibility
- ✓ Cup dispenser variety (*0, 3 or 6 cup dispensers*)
- ✓ Mix & Match principle (*cabinet and backdrop*)
- ✓ Easy access to various machine options
- ✓ JDE branded options
- ✓ Top plate for ground chute functionality of some machines
- ✓ Included in the Green Select program

CABINETS

The new design of the cabinets, the variety of couleur and size make them suitable for any interior and coffee corner.

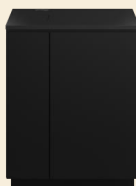

CABINETS — CUSTOMIZATION

The new design of the cabinets, the variety of colour and size make them suitable for any interior and coffee corner. The cabinets are available in different variants:

- 2 sizes – basic and standard
- 3 cabinet colours – black, wood and concrete
- 3 backdrop colours – black, fabric and linen
- 3 cup dispenser variety – 0, 3 or 6 cups

They can be ordered separately, and can be customized with a brand seal and the Mix & Match principle.

As part of the Green Select program, the new cabinets are the perfect fit for a sustainable coffee corner.

- ✓ Circular flow of materials
- ✓ Made from solid certified wood made of 95% recycled materials
- ✓ PEFC certified (*wood material from sustainably managed forest*)
- ✓ Glued panels, to improve quality
- ✓ Water resistant materials
- ✓ Cup dispensers made of recycled materials
- ✓ Produced in a CO2 emission free facility
- ✓ Modular build concept, offering the possibility to extend the life cycle of the cabinets (damaged parts can be replaced)
- ✓ cup dispensers and drawers can be swapped, replaced or removed
